## Chocks Away

Their hands are shaking ever so slightly; they will fly again in the morning.

#### **Dennis Alfred Wepener 1942-2017**

Dennis Wepener had a quadruple bypass in Pretoria and then passed away. His funeral was on 13th July 2017 in Pretoria and Ken Bannister presented the eulogy.

A memorial was held at Hibiscus Retirement Village chapel on 18th July and General Wepener's family and Chairman Johnny Ralph gave talks on his life and service record; Brigadier General (ret'd) Dennis Alfred Wepener, was called up for national service in the South African Air Force in January 1959 at the age of 17. After 9 months of national service he joined the permanent force in October 1959 as a physical training instructor at SAAF Gymnasium. He then later remustered to the supply support environment. He received officers commission in July 1966 as a lieutenant.

"Farewell General: You will be sorely missed by all!"
